WHEREAS, the Milwaukie City Council held public hearings on February 16, 1999, and April 6, 1999 on the proposed amendments,

NOW, THEREFORE, THE CITY OF MILWAUKIE DOES ORDAIN AS FOLLOWS:

Section 1. Findings. Findings of fact in support of these amendments contained in application CPA-98-05.

The proposed amendments contained in Exhibit 1 of this ordinance are consistent with the provisions of Milwaukie Comprehensive Plan Chapter 2-Plan Review and Amendment Process as follows.

Objective # 1 – Amending the Plan

Review, revise, and amend the Comprehensive Plan on a regular basis, assuring that the Plan and implementing ordinances meet regional, State, and Federal guidelines.

Policies

1. **Ensure adequate monitoring of the Plan by maintaining a factual database which will enable citizens to judge the effectiveness and desirability of Plan policies. Monitoring information may include, but is not limited to population, vacant lands, traffic volumes, public facility capacities, and economic information.**

This policy does not apply. The proposed Title 8 amendment institutes a requirement that future amendments to the Comprehensive Plan comply with the Metro Urban Growth Management Functional Plan.

2. **The Comprehensive Plan Review Committee (CPRC, see Citizen Involvement Element), which will be appointed by the City Council, will coordinate and conduct a major Plan review every five years and an interim plan review between years two and three of the five year cycle. The CPRC will submit a report to the Planning Commission containing any recommended changes. The Planning Commission will hold at least one public hearing on any proposed modifications to the Plan and forward its recommendations to the City Council.**

This policy applies only to programmed periodic reviews and is not applicable to the Metro Growth Management Functional Plan compliance amendments.

3. **Individuals, the Planning Commission, or the City Council may request Plan amendments at any time separate from the normal Comprehensive Plan application process. A request by an individual will be considered by the Planning Commission, who may initiate further formal consideration of a Plan amendment if it is determined the proposed change is in the public interest. The Planning Commission should also hold a public hearing annually to evaluate**

issues related to the Plan or recommend Plan changes. A report of its public hearing will be provided to the City Council who may approve it or take further action as required.

This policy encourages consideration of the Comprehensive Plan and comprehensive planning issues outside the normal process of periodic review. The proposed amendments are consistent with the policy.

- 4. Submit copies of proposed Plan changes to affected governmental units at the draft amendment stage and following final adoption of changes.**

The proposed amendments have been submitted to Metro, Oregon Department of Land Conservation and Development, and Oregon Department of Transportation. Amendments adopted by this ordinance shall be submitted to these agencies.

- 5. All proposed legislative Comprehensive Plan amendments will be considered at advertised public hearings before the Planning Commission and City Council. At least 30 days prior to a public hearing, a public notice shall be printed in a local newspaper and will appear on the public information cable television station. A second notice will appear at least ten days prior to the public hearing.**

Comprehensive Plan text amendments are identified as legislative actions in Milwaukie Zoning Ordinance Section 1011.5. Notice of the Planning Commission and City Council hearings have been published in accordance with the requirements of this policy and pursuant to provisions of the Oregon General Statutes. The public hearings held on February 16, 1999 and April 6, 1999, the work sessions held on February 1, 1999 and March 15, 1999 on the amendments were televised on the City's cable access station.

- 6. If the proposed amendment is quasi-judicial, notice of the requested change will be mailed to all residents within 400 feet of the property under consideration at least 30 days prior to the public hearing. Newspaper notice in accordance with the requirements for legislative plan amendments is also required.**

This policy does not apply to City Council action on this ordinance.

- 7. All Plan amendments will be evaluated based upon the following criteria.**

- a. Conformance with applicable Comprehensive Plan goals, policies, and objectives.**

The amendments are consistent with the Comprehensive Plan and preserve the intent, goals, and policies of the Comprehensive Plan. There are no departures from stated goals and policies.

b. **Consistency of proposed development with the intent of the underlying zone.**

The amendments do not result in any development. The above criterion does not apply.

c. **The amendments meet or can reasonably meet applicable regional, state, or federal regulations.**

The purpose of the amendments is to meet Metro regional policy. There are no applicable federal policies. The amendments are consistent with Oregon Statewide Planning Goals.

d. **The proposed amendments demonstrate existing or planned public facilities and are sufficient to accommodate anticipated development.**

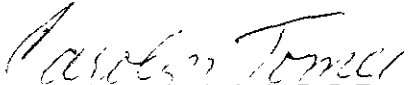

The amendments do not change existing development potential. This criterion does not apply.
